

Base from U.S. Geological Survey
 Donaldsonville, 1965, Lac Des Allemands, 1964,
 Mt. Airy, 1965, Thibodaux, 1964

EXPLANATION

- Area where Gramercy and Norco aquifers converge
- **300** STRUCTURE CONTOUR— Shows altitude of top of aquifer. Contour interval 50 feet. National Geodetic Vertical Datum of 1929
- **75** LINE OF EQUAL THICKNESS. Interval 25 feet
- CONTROL POINTS—
- Oil-test well
- Test well
- Water well
- A** — **A'** Line of geohydrologic section (plates 3 and 4)

PLATE 9. MAP SHOWING THE CONFIGURATION OF THE TOP AND THICKNESS OF THE NORCO AQUIFER, GRAMERCY AREA, LOUISIANA.
